

The following document is the *Draft Land Use and Transportation Element* of the Sunnyvale General Plan. It is currently a draft version. Once adopted, the document will be formatted as an interactive web-based document and included within the newly consolidated General Plan located on the City of Sunnyvale web site. Throughout the document there are notes that indicate where future sidebars and links to outside information will be located and where links to other General Plan goals and maps will be provided. These links are not active at this time.
