

Horizon 2035

DRAFT LUTE Goals and Policy Areas 8/25/2010

Through the planning and physical development of city lands and the transportation system;

I. Protect and enhance residential neighborhoods

- Compatible uses
- Neighborhood Preservation
- Convenient/Enhanced services
- Walkability
- Accessibility

II. Provide an effective, multi-modal local transportation system

- Alternative fuel – Vehicles and infrastructure
- School traffic
- Bicycle network and facilities
- Multi-Modal
- Transit
- Pedestrian facilities
- Traffic Operations
- Roadway design/Complete streets
- Transportation Demand Management (TDM)
- Temporary traffic conditions
- Managing city parking lots

III. Coordinate regional and local planning

- AB32/SB375/Climate Change
- Sustainable Community Strategy
- Regional agencies (Santa Clara County, ABAG, BAAQMD etc, State)
- Bordering cities
- Regional transportation (VTA, bus routes, SJ Airport, Moffett Federal Airfield, BRT, Light Rail, HSR, Caltrain, freeways, expressways)

IV. Plan for a strong, diverse economy

- Support commercial and industrial areas
- Timely project review
- Jobs/Housing Balance

V. Provide a variety of housing options

- Housing options (variety, styles, affordability)
- Ownership options
- Adequate zoning classifications

VI. Maintain and enhance the appearance of the City

- Architectural Quality
- Design guidelines
- Heritage Preservation
- Neighborhood Identity

VII. Promote environmental sustainability

- Green construction
- Conservation
- Public education
- Clean energy
- Tree preservation
- Urban forest

VIII. Create options for healthy living

- Open space
- Community gardens
- Urban farming
- Access to fresh food
- Access to health care
- Opportunities to walk and bike
- Access to clean air/clean water

IX. Plan for special and unique land use areas

- Downtown Specific Plan
- Moffett Park Specific Plan
- Peery Park
- Lawrence Station Area Plan
- ITR
 - Existing ITRs
 - East Sunnyvale ITR
 - Compatible land use transitions
- Precise Plan for El Camino Real
- Wetlands and creeks
- Onizuka
- Public, Quasi-public Uses
 - Child Care
 - Places of Assembly
 - Parks
 - Schools
 - Government Facilities
